about CONFLUENCE

Initiated in 2014, CONFLUENCE 2026, organised by Seth GS Medical College and KEM Hospital in Mumbai is a prestigious international medical and research conference. Spanning five days, this event provides a platform for academic exchange and exploration.

It offers a comprehensive learning experience through hands on workshops, covering clinical skills, research methodologies, and innovative ideas. Diverse competitions acknowledge students research and innovative prowess, with online screening rounds ensuring wider participation.

The grand finale takes place on the vibrant campus, showcasing top talents. Renowned experts deliver talks and panel discussions, enriching the intellectual discourse and inspiring attendees.

Continuing Medical Education (CME) programs cater to the professional development of resident doctors and consultants, delivering the latest updates and breakthroughs in the field.

Beyond academics, captivating literati events foster relaxation, recreational activities, and networking opportunities.

Embracing a hybrid format, the conference combines virtual and in person participation, ensuring inclusivity and an immersive experience.

CONFLUENCE 2026 is a remarkable convergence of medical knowledge, research and intellectual camaraderie, creating a lasting impact on all attendees.

about SETH GSMC & KEMH

Founded in 1926, the Seth Gordhandas Sunderdas Medical College (GSMC) and the King Edward (VII) Memorial (KEM) Hospital are amongst the foremost teaching and medical care providing institutions in India. The medical college (school) provides training to about 2000 students in undergraduate, postgraduate and in super-speciality medical courses; undergraduate and postgraduate physical and occupational therapy; Masters and PhD courses in various allied specialities.
A nursing school is also maintained by this institute.

DEAN'S ADDRESS

Dr. Harish Pathak

Welcome to CONFLUENCE 2026.
The Premier International Medical Conference hosted by Seth GS Medical College. This esteemed event stands as one of the largest and most influential academic gatherings in our country, reflecting our commitment to advancing medical education and practice.

As we mark a decade of excellence CONFLUENCE 2026 continues to build on our proud legacy. This year's conference will offer a wealth of opportunities, including hands on workshops, insightful lectures, dynamic debates, exciting quizzes ,and research driven symposia. It is done by students and it gives them excellent experience in organising conference. Also, students get a lot of ideas for research and good academic knowledge.

Our aim is to enhance learning by equipping participants with essential skills, fostering practical approaches to diverse medical challenges and nurturing innovative research ideas by integrating both the science and art of Medicine. CONFLUENCE 2026 is dedicated to expanding and enriching the knowledge of all attendees.

We are honoured to have you join us for this landmark event and look forward to be an inspiring and impactful conference.

OUR VICE PRESIDENTS

Dr. Smrati Tiwari
Associate Professor
Department of Medicine Seth
G S Medical College & KEMH

Dr. Swarupa Bhagwat
Associate Professor(Ad. hoc),
Department of Transfusion Medicine Seth
G S Medical College &
KEMH

Your unwavering support, invaluable insights, and steadfast dedication have been the backbone of this conference for the past decade. Your leadership has not only shaped our journey but has also inspired us to reach new heights. We are profoundly grateful for your continued guidance and belief in our vision.
